

RELATIONSHIP WITH TIME

What are your thoughts about how you spend your time?

I value my time when I

I waste my time when I

I use my time wisely when I

I honor time that I am being paid for when I

I dishonor time that I am being paid for when I

Time goes slow when

Time goes fast when

If I had more time I would

If I knew today that I had less time, I would

When I am alone and have time on my hands I feel
